

Public Schools of Calumet, Laurium and Keweenaw

Mitigating Learning Loss Presentation - October 24, 2022

- *In accordance with 98c of PA144 - Section 98c*

Data Review

- K-8 benchmark assessment (Acadience & NWEA) data shows high percentage of students demonstrating growth from fall to spring
- 2021-2022 NWEA Math - grades K, 1, 2, 3, 4, 6, 7, & 8 all exceeded growth targets. Grade 5 met growth target.
- State proficiency and college readiness assessment data shows areas for improvement
- More students are at-risk of graduating since the spring of 2020
- Attendance rates have remained very good
- Improve outcomes for student with special needs

Supports

 - Summer School
 - Monitoring student progress with Acadience & NWEA benchmark assessments
 - Monitoring student attendance and behavior with Skyward
- Washington Middle School
 - Reading intervention with READ 180
 - Math Lab intervention
 - Flex Lab

Supports

- Washington Middle School Continued
 - Academic Lab
 - After school supplemental learning programs
 - Multi Tiered Systems of Support (MTSS)
 - Curriculum Updates
 - Monitoring student progress with SRI and NWEA benchmark assessments
 - Monitoring student attendance with Skyward
 - Monitoring student behavior with TeachLink
- Calumet High School
 - Online course completion teacher/paraprofessional
 - Academic Lab
 - Tutoring Lab

Supports

- Calumet High School Continued
 - Flex Lab
 - Curriculum Updates
 - Monitor student progress and attendance with Skyward
 - Monitor student credit recovery with Edmentum
- Horizons Alternative High School
 - Credit recovery mentor
 - Individualize instruction with IXL
 - Monitor student progress and attendance with Skyward
 - Monitor students credit recovery with Edmentum
 - Student and staff stress level monitoring

Supports

- CLK Virtual
 - Online learning mentors
 - Tutoring/In-person drop-in support
 - Resource “room” and ancillary services

Impact

- Measuring the impact of Supports
 - Benchmark assessments and progress monitoring
 - Summative state assessment data
 - MTSS data reviews
 - Skyward - course completion and attendance rates
 - Edmentum - credit recovery completion rates

Review & Revision

- MTSS Data Review Meetings
- Acadience progress monitoring
- Benchmark assessment review
- Marking period and semester SIS data review
- Educator In-Service date review
- Administrative Team meetings
- Make any necessary revisions based on data analysis

Funding Notes

Minimum Funding

- \$36.75 per pupil
- Budget = 1,430 pupils
- \$52,552.50

Estimated Funding

- \$50 per pupil
- Budget = 1,430 pupils
- \$71,500.00
