M/S Art Appreciation	Edmentum	This course explores the main concepts of art, expression, and creativity as it helps students answer questions such as what is art; what is creativity; and how and why people respond to art. It covers essential design principles such as emphasis, balance, and unity. Units include: Art, History, and Culture; Western and World Art Appreciation; and Art and the Modern World.	6-8	Online - Self Directed	Online - Self Directed	Rosemurgy	90	At Home
M/S Art	Edmentum	M/S Art allows students to develop an understanding of the arts with a focus on topics such as the history of graphic design, types of digital images, graphic design tools, storing and manipulating images, design elements and principles and creating images.	6-8	Online - Self Directed	Online - Self Directed	Rosemurgy	90	At Home
Chinese	Ed Options	Students begin their introduction to Chinese with fundamental building blocks in four key areas of foreign language study: listening comprehension, speaking, reading, and writing. The course consists of 180 lesson days formatted in an intuitive calendar view, which can be divided into two 90-day semesters. The course represents an ideal blend of language learning pedagogy and online learning. As students begin the course, they construct their own Avatar that accumulates "Avatar bucks"—by performing well on course tasks—to use to purchase materials (clothing, gadgets, scenery, etc.) at the "Avatar store". Each week consists of an ongoing adventure story, a new vocabulary theme and grammar concept, numerous interactive games reinforcing vocabulary and grammar, reading and listening comprehension activities, speaking and writing activities, and multimedia cultural presentations covering major Chinese-speaking countries. The course has been carefully aligned to national standards as set forth by ACTFL (the American Council on the Teaching of Foreign Languages).	6-8	Online - Self Directed	Online - Self Directed	Various - EdOptions Teachers	90	At Home
