If your child has strep throat or another bacterial infection, he/she should stay home until the antibiotic has been given for at least 24 hours and your health care provider has given permission for your child to return to school. We encourage you to seek medical attention when your child is sick and to follow your health care provider's recommendations about returning to school and other activities.

NED Yo-Yo Sale

Our school received NED's Mindset Mission at no-cost because another school community has pay-if-forward to us. Now it's our turn – you can help by purchasing a NED-messaged yo-yo and accessories. A yo-yo is both a mindset tool and tangible reminder of NED's message. Never give up. Encourage others, Do your best. The sale will be in our elementary library January 17th-28th, before school and during library class.
