They will be mailed or sent with an older sibling on Friday, March 17th. If you know of a first time family to school, please ask them to call the office with their information so we can mail the enrollment forms also. The day of enrollment, please bring your child's enrollment forms, state certified birth certificate, immunization record, proof of residency & proof of income. Your child will not be registered for the program, but will have shown interest and have some of the paperwork complete.
